

Remarks:

Claims 1-13 are pending in this application. Applicants have rewritten the specification to conform to standard U.S. format. Submitted herewith is a substitute specification, including a marked-up copy showing changes made and a clean version. Please note that the substitute specification include a copy of the claims as amended above. The substitute specification includes no new matter. Kindly replace the specification with the substitute specification. Applicants have amended the claims to conform to preferred U.S. patent practice such as deleting reference characters and deleting multiple dependencies in the claims. The invention is not limited any particular embodiment described or shown in the specification. Furthermore, Applicants have amended the format of the claims and certain terms to reflect standard U.S. format.
